

The image shows the front cover of a 'CITY MAP BOOK 1907'. The cover has a tan, leather-like texture. It is decorated with several black borders: a wide outer border with a repeating scalloped pattern, and two diagonal lines crossing in the center, also with a repeating pattern. A small, dark rectangular label is pasted on the right side, containing the title in gold lettering. There is a small tear on the left side of the cover, revealing a red layer underneath.
